

Dear Customer,

Thank you for downloading the additional content for your **Boreal-Kids Montessori Storage Box for Kids**.

At Boreal-Kids, we believe that learning and organization should feel fun, familiar, and full of imagination. That's why we've created a **special collection of bonus sing-along jingles**, designed to help your child identify, categorize, and store different everyday items with joy and confidence.

Each jingle corresponds to a colour-coded box and a specific type of clothing or accessory, making tidying up a playful, musical activity that supports language development, memory, and independence — **all in the true Montessori spirit**.

We're grateful for your trust in our product, and we hope these extra tools bring even more value and smiles to your home.

Let's sing, sort, and sparkle — the Montessori way!
